

CHARACTERS

COSTUMED CHARACTERS to greet your guests at the hitchin' post make a great impression from the start. You may see Wyatt Earp, Billy the Kid or Doc Holliday roaming the room with historically accurate costumes and weapons. Western characters can meet the bus as it arrives, help direct the guests to the event location and mingle with the guests throughout the event.

We can also provide cowgirls & cowboys, gangsters & cigarette girls, car hops & showgirls who are able to double as **DANCE INSTRUCTORS**. From the Texas Two Step to the Can-Can to the Cupid Shuffle, line-dancing is a sure-fire way to keep your party guests on their toes.
