

GIVE BACK GAMES: TOYS

This is a team building exercise that will take your guests back to their childhood days. Team members play games using toys in order to win more toys for the children's charity of your choice. The **GIVE BACK GAMES** help form bonds between team members while encouraging volunteerism and humanitarianism.

Teams can be pre-selected before the event, chosen at the event by pre-selected captains or selected at random. The **GIVE BACK GAMES** Team Building is most effective with teams containing fewer than a dozen participants per team. The more participants in your group, the more teams are created.

Once the teams are established and have chosen their Team Captain and a team name, each team member will have an opportunity to play one or more games using such toys as flying discs, hula hoops and balls. **GIVE BACK GAMES** like *Stuff it Basketball*, *Soccer Slalom* and *Junior Putting* test the athleticism of each participant's inner child. The *Hula Hoop Race* and *Dress-up Doll Relay* require all team members to work together to complete the tasks. For those kids who had their noses in books instead of playing street hockey, there is even *Toy Trivia*. Points are tallied for each game and team rankings are displayed on a scoreboard for everyone to see. Teams win toys for their donations based on the number of points scored.

Good times and laughter build teams much faster than brain teasers and ropes courses. The **GIVE BACK GAMES** Team Building provides an event that is fun and interesting, and unlike anything your group has done before.

The **GIVE BACK GAMES** can be customized to coordinate with the charity of your choice.
