

MECHANICAL BULL

Don't call him a cowboy until you've seen him ride. For that *Urban Cowboy* thrill, our **MECHANICAL BULL** is a leading attraction at any Texas-sized party. Skilled operators control speed and movement to customize the rides to guests' personality and skill level. Talk nice and you'll get a leisurely ride, talk rough or get cocky and well...you'll appreciate the inflated mat, side bumpers and safety features. **NO BULL!**
