

TEXAS PARTY OPTIONS

What better way to experience the flavor of Texas than with a totally Texas party? We can provide your guests with a Texas experience they will never forget.

You can begin your event with dignitaries being brought in with a Texas-style entrance – on a **LIVE LONGHORN**. Guests can then have their photos taken individually or in groups on the longhorn for proof that they are becoming “real” Texans. Professional animal handlers have trained longhorns that are gentle enough for even children.

It just don't get more Texas than 'dillos! Nine-banded armadillos are "steered" down the track by guests selected as "jockeys." Racers can be chosen at random, or you can pit your CEO against the Sales Manager and Accountant. Handlers are available all evening to answer questions (and believe me, there will be questions aplenty about the fascinating State mascot). Your guests will be surprised and delighted with **ARMADILLO RACES** providing lots of laughs and tall tales.

For guests who want a little more action, we offer a **MECHANICAL BULL** for an Urban Cowboy thriller. Skilled operators control speed and movement and customize the rides to guests' personality and skill level. Talk nice and you'll get a leisurely ride, talk rough or get cocky and well...you'll appreciate the inflated mat, side bumpers and safety features. **NO BULL!**

COSTUMED CHARACTERS to greet your guests at the hitchin' post make a great impression from the start. You may see Wyatt Earp, Billy the Kid or Doc Holliday roaming the room with historically accurate costumes and weapons. We can also provide cowgirls, cowboys, saloon girls or banditos who are able to double as **DANCE INSTRUCTORS**. From the Texas Two Step to the Can-Can, western dancing is a sure-fire way to keep your party guests on their toes.

Your guests will be surprised when Dolly Parton or Willie Nelson welcomes them to your event. Our **CELEBRITY LOOK-ALIKES** are dead-ringers for the genuine article. They meet, greet and mingle and will keep your guests wondering.

For completely awestruck party goers, a **TRICK ROPER** or **BULLWHIP ARTIST** is classic cowboy entertainment. Performances can be done from stage, strolling or on a trick horse. A **GAMBLER** **MAGICIAN** will outsmart your guests at cards, amaze them with close-up table magic and even stick the Queen of Hearts on the ceiling. For those whose futures are unclear, **KATHRYN** the **MYSTIC**

COWGIRL can enlighten and astound using Tarot cards, palm reading and lipstick reading – all with her Texas charm.

For those guests who want to walk on the wild side, **TEXAS TATTOOS** are available. They are airbrushed, of course, for that permanent tattoo look without the commitment of a lifetime with a longhorn on your arm.

To keep guests active and laughing, we offer a full line of **TEXAS GAMES**. Our games are designed to do double duty as “just for fun” or **TEAMBUILDING** activities. From Cowchip Shuffleboard and Redneck Horseshoes to Shoot the Can and Rollo Roper, guests can show off their new-found Texas talents with friendly competition and build camaraderie. (Please see separate enclosure/attachment for a complete listing and description of Texas Games).
