

# TEXPERT PARTY OPTIONS

What better way to experience the flavor of Texas than with a totally Texas party? Our TEXperts can provide your guests with an authentic experience they will never forget.

It just don't get more Texas than 'dillos! Nine-banded armadillos are "steered" down the track by guests selected as "jockeys." Racers can be chosen at random, or you can pit your CEO against the Sales Manager and Accountant. Handlers are available all evening to answer questions (and believe me, there will be questions aplenty about the fascinating State mascot). Your guests will be surprised and delighted with **ARMADILLO RACING** providing lots of laughs and tall tales. For those who have a little more money, and a LOT more space, **SUPER DILLOS** combines two tracks into a 30' x 40' oval. It extends the race time by triple and allows triple the number of guests in track-side viewing. Ideal for Texas-sized events.

You can begin your event with dignitaries being brought in with a Texas-style entrance – on a **LIVE LONGHORN**. Guests can then have their photos taken individually or in groups next to the longhorn for proof that they are becoming "real" Texans. Professional animal handlers have trained longhorns that are gentle enough for children.

For guests who want a little more action, we offer a **MECHANICAL BULL** for an Urban Cowboy thriller. Skilled operators control speed and movement and customize the rides to guests' personality and skill level. Talk nice and you'll get a leisurely ride, talk rough or get cocky and well...you'll appreciate the inflated mat, side bumpers and safety features. **NO BULL!**

**COSTUMED CHARACTERS** to greet your guests at the hitchin' post make a great impression from the start. You may see Wyatt Earp, Billy the Kid or Doc Holliday roaming the room with historically accurate costumes and weapons. We can also provide cowgirls, cowboys, saloon girls or banditos who are able to double as **LINE DANCE INSTRUCTORS**. From the Texas Two Step to the Can-Can, western dancing is a sure-fire way to keep your party guests on their toes.

Head `em up – move `em out! After a quick instruction from the Ranch Boss, guests can use their new-found Texas skills to saddle up and rope a calf. The **ROLLO ROPER GAME** uses the same type of mechanical horse and calf that rodeo stars use to sharpen their skills. With a tap of the riders' heel, the calf barrels out from under the horse so the rider can rope it back in.

Our **OLD WEST QUICK DRAW** gunslingers will assist your guests as they strap on a handmade leather holster with a replica of the single action .45 caliber revolver used in the old west. After being coached in a brief safety session by the cowboy in the white hat, it is time to stare down the bad guys. Our gunslingers will time your draw down to the hundredth of a second. Your fastest guests will make it on the **OLD WEST QUICK DRAW** scoreboard and given a gunfighter's nickname. Your slower guests will be declared as "Boot Hill Bound."

For completely awestruck party goers, a **TRICK ROPER** or **BULLWHIP ARTIST** is classic cowboy entertainment. Performances can be done from stage, strolling or on a trick horse. A **GAMBLER MAGICIAN** will outsmart your guests at cards, amaze them with close-up table magic and even stick the Queen of Hearts on the ceiling. For those whose futures are unclear, **KATHRYN** the **MYSTIC COWGIRL** can enlighten and astound using Tarot cards, palm reading and lipstick reading – all with her Texas charm.

To keep guests active and laughing, we offer a full line of **TEXAS MIDWAY GAMES**. Our games are designed to do double duty as "just for fun" or **TEAM BUILDING** activities. From Cow Chip Shuffleboard and Redneck Horseshoes to Shoot the Can and Jail Break, guests can show off their new-found Texas talents with friendly competition and build camaraderie.

Your guests can go home with a real Texas cowboy hat from your western themed event. We're not talking about hats that make everyone look like Howdy Doody; we're talking about hats that your guests will keep forever. **LONE STAR LIDS** run the gamut between faux straw and felt cowboy hats in universal sizing to a real deal, high quality fitted hat. We can also supply a steaming station that will give your guests a sense of TEXpert style and individuality. Need something really special for a VIP? We can do that too.

**WANTED POSTERS** and other **GREEN SCREEN** photo backgrounds are great souvenirs for your guests. Individuals or groups can have their pictures made and everyone in the picture gets a print to take home. We can include your company logo and we offer packages with special artwork.

Though they're not making saddles or boots, with a **TEXAS LEATHERCRAFT STATION** guests can channel their inner leathersmith while personalizing coasters, luggage tags or key fobs they can take home as proof that they have a little bit of the Old West in them.

For those guests who want to walk on the wild side, **TEXAS TATTOOS** are available. They are airbrushed, of course, for that permanent tattoo look without the commitment of a lifetime with a longhorn on your arm.

No party is complete without music. We offer a full range of **SINGERS, BANDS** and **MUSICIANS**. We have Swing Bands and Dance Bands for guests who like to scoot a boot. For serenading, we have Mariachi Bands and Quartets. We have full Stage Bands for large parties or Duos and Trios for smaller parties. If you have music needs, we can fulfill them.

Here's an activity that's sure to ruffle some feathers - chicken feathers, that is. Participants choose squares on a large game board, while spectators watch like foxes at a hen house. A live chicken "selects" the winning square by dropping his unique mark on the game board. **Chicken Sh\*t Bingo** is a sure bet to crack up your guests three or four times a night - where Number 2 is Number One and Turd Place is always a winner.

Let us help you put together a package that will guarantee a TEXpert experience for your next corporate event in the Dallas / Fort Worth Metroplex area. We can custom design your package to accommodate the size of your party and the size of your budget.
