

# QUICK DRAW DUEL

Have you ever wished you could strap a gun to your guests and tell them to draw?

Well, now you can with **QUICK DRAW DUEL!**

Two contestants face off against one another to see who can draw and shoot the quickest. Our TEXpert **QUICK DRAW DUEL** gunslingers will assist your guests as they strap on a handmade leather holster with a replica of the single action .45 caliber revolver used in the old west. After being coached in a brief safety session by the cowboy in the white hat, it is time to stare down the bad guy. Our **QUICK DRAW DUEL** gunslinger will time both shooters down to the hundredth of a second. The fastest guests will make it on the **QUICK DRAW DUEL** scoreboard and given a gunfighter's nickname.
